Mississippi State Organization
Alpha Upsilon Chapter**

RED ROSE AWARD

The Red Rose Award is a recognition program designed to carry out the Mississippi State Share the Future Committee's Goal #5: The Mississippi State Organization will actively promote and recognize participation and achievement of women in visible leadership roles.

Its purpose is to increase the visibility of Delta Kappa Gamma in local chapter areas and focus on promoting the work of women leaders in education: those whose careers are education as well as those who advance the cause of education in other fields.

GUIDELINES

1. The recipient of the award must be a non-member of the Society.
2. She shall be a woman leader who resides and/or works in the chapter area
3. Her accomplishments should have benefited education and the status of women in educational leadership roles.

PROCEDURES FOR NOMINATION

The attached recommendation form should be submitted to the chairman of the chapter Personal Growth and Services Committee not later than the second meeting of the year.
